We would love you to remain after the service to enjoy refreshments with us.

Global Interaction - May Mission Month 2017

There are five couples/families ready to go to Cambodia. Before they can go, they need to raise their support, which they are finding difficult. This is holding them back and thereby holding back the Gospel from reaching Khmer people.

This May, we are asking individuals/families in the church to seriously consider making a 'one-off' donation towards sending these missionaries, or to consider supporting one of these candidates regularly, over five years, in order to keep them in Cambodia.

We realise this is a big ask, but even \$10/month from hundreds of Baptist's all over Australia will keep Cross Cultural Workers supported. There is no other way of supporting Baptist Workers than by Aust. Baptists rising to the need.

One couple, Craig and Kim, have left their home in Tasmania, and are travelling around Victoria with their children in a caravan, speaking in churches, endeavouring to gather support. What a blessing it would be for you to become a member of a partnership team with one of our Cambodian workers!

Also, we do not want to forget Dema and Carolyn in Thailand. This is the family who received the blessing of Di going there to teach their children and are near to our hearts, as a family. Unless support for the education of their children comes in, they will have to return home.

Bless you - The Mission Team
