# Welcome to Maroubra Baptist

A Church for the Community

## Welcome

If you are looking for a church, a regular attender or visiting, we would like to extend a huge, warm welcome. We are a church for the community, and we enjoy a range of social activities during the week, starting with tea/coffee on the lawn after church. We would love you to remain after the service to enjoy refreshments with us.

## AusCam

Please remember to shop at Southpoint and put your receipt into the barrel to help AusCam raise money and awareness during May.

## Global Interaction - May Mission Month 2017

There are five couples/families ready to go to Cambodia. Before they can go, they need to raise their support, which they are finding difficult. This is holding them back and thereby holding back the Gospel from reaching Khmer people.

This May, we are asking individuals/families in the church to seriously consider making a 'one-off' donation towards sending these missionaries, or to consider supporting one of these candidates regularly, over five years, in order to keep them in Cambodia.

We realise this is a big ask, but even \$10/month from hundreds of Baptist's all over Australia will keep Cross Cultural Workers supported. There is no other way of supporting Baptist Workers than by Aust. Baptists rising to the need.

One couple, Craig and Kim, have left their home in Tasmania, and are travelling around Victoria with their children in a caravan, speaking in churches, endeavouring to gather support. What a blessing it would be for you to become a member of a partnership team with one of our Cambodian workers!

Also, we do not want to forget Dema and Carolyn in Thailand. This is the family who received the blessing of Di going there to teach their children and are near to our hearts, as a family. Unless support

*Bless you - The Mission Team*

## 100 Days of Prayer - Thanksgiving

Thank you to all those who came to the thanksgiving night of prayer and worship on Monday 15 May. It was an awesome night and we were blessed by Sam Dearden and his band, playing some fresh new songs.

The night was a celebration of our 100 Days of Prayer finale and was enjoyed by many, with over 70 people coming and going throughout the night.

It is our hope that we continue daily prayer and that this 100 days has merely whet our appetite to talk to God more in our individual lives. What a wonderful blessing it was to pray collectively for 100 consecutive days. Did you miss the e-mail on day 101?

Thanks to Sam and his band for taking the time to minister to us and blessing us with worship songs during the night. The evening was most enjoyable and I'm sure there were lots of personal, individual prayers throughout as people meditated on God's promises that Jax-on read out from time to time.

Let us continue to praise God in our daily lives.
