We are very pleased to announce that the new directory is available for distribution TODAY. Thank you to Trevor and Denise for putting the time into this project. We appreciate all your efforts.

Please note that, for privacy reasons, we need to be selective regarding whom we give Directories to.

Therefore they wont be available at the back of the church.

Open Doors - International Day of Prayer

Today, we join individuals and groups across Australia to unite in prayer with the persecuted church for International Day of Prayer (IDOP).

"Please do not pray for us. Please pray with us. If you pray for us, you will pray for the wrong things. You will pray that the church will be safe... we ask that we will be bold and clear in sharing our faith." – Egyptian Pastor

Asia Bibi's Story

Aasiya Noreen "Asia" Bibi is a mother-of-five from Ittan Wali, a small rural village in central Pakistan. There was open hostility towards her from the women she worked with because she is part of the country's Christian minority, which makes up less than 2% of Pakistan.

In June 2009, whilst working on a field picking berries she went to get a drink that would dramatically change her life. Whilst getting water from the well, some Muslim women tried to chase her away, claiming that she would make the water 'unclean' if she used it.

Asia reportedly replied saying Jesus had rescued her and then asked, "What did your Prophet Mohammed ever do to save mankind?" For this simple question, she was sentenced to death for blasphemy in 2010 and has been in prison ever since.

Mbra Yth

What a culinary delight it was at the recent MasterChef at Mbra Yth HQ. There was a clear winner on the night but everyone had fun and got to enjoy the wonderful creations.

The week following MasterChef, we found out who has real talent and who just wanted to have fun. Both are encouraged at Mbra Yth!!!
