“

God has not promised to bless our good motives, dreams and innovation. He has promised to bless his plan; that plan is that disciples make other disciples - everything else is a sideshow.

# Welcome to Maroubra Baptist

A Church for the Community

## Welcome

If you are looking for a church, a regular attender or visiting, we would like to extend a huge, warm welcome. We are a church for the community, and we enjoy a range of social activities during the week, starting with tea/coffee after the service. Please join us.

## Baptism Information Session

For those who might be thinking about baptism, we encourage you to think some more and consider prayerfully Jesus' command that all of His disciples declare their allegiance to Jesus through baptism.

If you desire to learn more about what the Bible teaches about baptism, we invite you to a Baptism Information Session after the morning service on Sunday 10 March from 11.30am to 12.30pm in Neil's Office.

## Membership Information Session

For those who have been baptized or wish to be baptized and have not yet come into the membership of Maroubra Baptist, we invite you to attend a Church Membership Information Session after the morning service on Sunday 17 March from 11.30am to 12.30pm in Neil's Office.

We will examine the reasons for local Church Membership in the light of the fact that we all become members of the universal Body of Christ as soon as we express our faith and trust in Him.

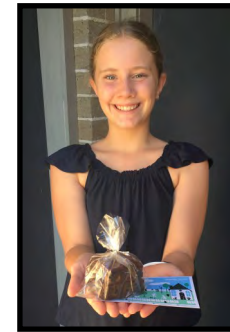

## Can you help a friend in need please?

I have two Myer Cards worth \$500 and \$369 respectively. The person in possession of these cards is not in a financial position to purchase anything from Myer because of their other needs. If you intend to shop at Myer during the next 12 months and would be willing to swap either or both of these cards for cash, your help would be greatly appreciated. Please see Neil.

## Neighbour Day 31 March

For the past 2 years we have been encouraging us all to get to know our neighbours a bit better. Neighbour Day is a community run program, and as such, it's a great way to either introduce ourselves, or take the next step in our relationship with our neighbours. Now is the time to start thinking and planning what you can do for Neighbour Day 2019. Last year's focus was on the elderly, and this year, the focus is on those who may be lonely. It doesn't really matter who we reach out to. What matters is that we DO reach out to our neighbours. We would like to think that neighbor day was one of the links in the chain that God used to bring Neil and Di's neighbours Ricky and Anne, Taylah and Jordyn into our church family.

This year, along with encouraging us to reach out to our own neighbours, we are also going to reach out to our church neighbours. We will have a team of bakers who will make brownies together and wrap them nicely in cellophane. A card will accompany the brownies and on Neighbour Day, we will all be given a house number to distribute the lovely wrapped gift to one of our neighbours. This is a very non confrontational way of reaching out to our neighbours and we are praying that it will open doors. Who wouldn't want to receive home made brownies for free?
