‘The man or woman at home who prays often has as much to do with the effectiveness of the missionary on the field, and consequently with the results of his or her labors, as the missionary.’

Welcome to Maroubra Baptist

A Church for the Community

Welcome

If you are looking for a church, a regular attender or visiting, we would like to extend a huge, warm welcome. We are a church for the community, and we enjoy a range of social activities during the week, starting with tea/coffee after the service. Please join us.

AusCam

During May Mission Month, our main focus is on Global Interaction but we also support other missions that have been founded by people who call Maroubra Baptist home. One of those missions is AusCam Freedom Project.

This morning, after the service, Sarah will be cooking a traditional Cambodian curry, called Chicken Amok. The proceeds will go towards supporting girls' education in Cambodia to break the cycle of poverty and exploitation through Auscam Freedom Project. Lunch will be **\$10 per meal** and this will include drinks. If you would like to share with your children, spare bowls and forks will be available. Tea and Coffee will be served as usual. Please come prepared to support and encourage AusCam. For further information, or to find out other ways you can give your support, go to auscamfreedomproject.org.

May Mission Month

In May 2018, Craig and Kim (who are featured on the front of Communique), along with their four children, Henry, Amaya, Reuben and Elodie arrived in Cambodia to join the team serving among the Khmer. In the years preceding this, they felt God tugging on their hearts to follow Him cross-culturally. They felt they were 'unavailable' as they had a large mortgage, two young children and Kim was pregnant with twins. Around the same time Craig went on a Global Xposure trip to South Asia and was able to see how the workers used fish-farming to empower the poor and as an opportunity to share the hope of Jesus.

In 2012 they sold their house and business and moved to Tasmania where Craig undertook studies in Aquaculture. For their first years in Cambodia, Craig and Kim will focus on learning the local culture and language with a Khmer language nurturer. They hope to use their skills in aquaculture and paediatric nursing to build relationships with the Khmer people and to encourage them in discovering who Jesus is and how they can follow Him within their own culture.

C.W.C.I.

Five women from local churches, including ours, will tell stories of God's role in their lives, perhaps during a specific season or event. These women range in age from teenager to sixties. They are everyday women like us, with varied lives and experiences, whom we believe will inspire and encourage us with their personal stories.

Join us for afternoon tea and hear stories from these inspirational women. Please see Deb for any queries you may have.

Shine Girl - Monday 6 May

We are excited to invite girls in year 10 and 11 to attend Shine at Kiara's house in Little Bay on Monday nights during term 2. Last week, 7 beautiful girls attended with the focus being, "I am one of a kind".

Shine is a collection of personal development mentoring tools for girls, designed to develop an understanding of personal **worth, strength and purpose** and to help girls realise their full potential.

The program will run for 9 weeks during Term 2 and dinner is included. Please see Barbra or Celeste for more information. RSVP to Dawn, Barbra or Celeste for catering purposes is appreciated, but is not essential. Please note, this is not limited to church families, so why not invite your friends along? 6.30pm for dinner, session from 7-8pm.

100 days with David Celebration

This morning we celebrate the culmination of Neil's '100 Days with David'. It will be a service with a different format, as we hear from individuals who will share their insight and experiences of hearing about David.
