Playtime

Playtime is a fun and safe environment for children to play and an opportunity for adults to meet each other and have a chat over a cappuccino or cup of tea. The children enjoy the free play both inside and out, along with some of the more structured activities such as craft, singing, story time and end of term parties. We even get a visit from Santa at Christmas time where every child receives a present.

Playtime

is a community service of Maroubra Baptist Church and is run entirely by volunteers. We encourage Christian values and we are welcoming of everyone. We have been operating a playgroup for over 30 years. We provide opportunities to attend relevant information and social events with other parents. One of our core convictions is that **"Every person is valuable to God and therefore to us"** It is our purpose to support you and your children by providing you with a safe and sound environment where you and your family may feel loved, respected and valued. We hope that you will find encouragement and friendship from us and your fellow mothers. If you need prayer or would like to talk to our counselor, please speak to any of our volunteers. You can be assured this will be treated confidentially.

We provide for the children:

- Outdoor swings and slides
- Sandpit (shaded)
- Enclosed grassed playground area with child safety gates
- Jumping castle
- Sanitised baby toys
- Trains and cars
- Playdough, dolls, puzzles, toys and drawing area.

Children learn socialising skills with other children and adults, they participate in musical activities, learn creative expression through craft and play within loving boundaries.

You

can make a difference by freely encouraging and promoting kindness in speech and action, especially to the children. Children learn socialising skills through observation, so providing a positive environment can be a great start to their young life.
